

EnglishChildren will:

- Explore the texts 'Tadpole's Promise' and 'The Owl and The Pussy-cat'.
- Learn to use a range of prefixes and suffixes
- Develop rhyming skills
- Partake in discussions about specific questions relating to the texts we are reading
- Write explanations, letters, speech bubbles, poems, instructions and setting descriptions
- Form and re-read sentences accurately using success criteria
- Take part in Daily Supported Reading
- Have daily phonics or grammar lessons

So that they...

Verbally articulate their ideas clearly and confidently

Write and edit descriptive pieces of writing for a range of purposes

Form coherent sentences with a range of language features

Apply their phonics knowledge when writing and reading

Develop fluency and reading comprehension

ComputingChildren will:

- Learn about online safety
- Enter data onto a computer
- Create tally charts and pictograms

So that they...

Create digital content and present data in an easy and accessible format

Use data to find out information

ArtChildren will:

- Measure out arms, hands and legs
- Mix secondary colours using paint
- Use photos to create silhouettes

So that they...

Create artwork that celebrate human variation and diversity

# Healthy Me

PSHEChildren will:

- Talk about ways to stay healthy
- Discuss the importance of making healthy choices
- Sort foods into healthy and unhealthy foods

So that they...

Know what they need to keep their body healthy

Can decide which foods to eat to give their bodies energy

Understand how to use medicine safely

HistoryChildren will:

- Create timelines
- Learn about the Royal Family and how monarchy works
- Learn key terminology (monarch, reign, power)
- Use a range of sources to learn about the past like a historian!
- Make comparisons between life in the past and now

So that they... Develop an awareness of the past and use appropriate vocabulary for talking about the passing of time

Learn about changes within living memory

Know about the lives of significant individuals, castles and homes.

ScienceChildren will:

- Conduct comparative tests
- Learn about reducing, reusing and recycling
- Investigate water and energy use
- Learn about endangered animals

So that they...

Understand some of the ways our environment is changing

Carry out simple tests using measuring equipment

Record and communicate findings from research and simple tests to share with others.

MathsChildren will:

- Measure objects in cm and m
- Comparing and measuring mass, volume and temperature
- Solving problems involving mass and capacity
- Talk about their maths and explain their answers

So that they...

Compare length, height, mass, and capacity

Choose and use appropriate standard and non-standard units to measure length, mass and volume

Religious EducationChildren will:

- Explore a range of religious celebrations
- Compare how celebrations are enjoyed by different faiths

So that they...

Understand how and why we celebrate special and sacred times.

Physical EducationChildren will:

- Have weekly outdoor PE lessons and swimming lessons
- Use floats and supports while swimming
- Practise controlling a ball with their feet

So that they...

Develop water confidence and can swim across the pool

Control a ball and participate in a range of games

Develop greater stamina and fitness

How You Can Help

- Support your child with their weekly homework (accessible on the Harbinger website)
- Encourage good hygiene and hand washing habits.
- Read every day with your child using BugClub or books that are sent home.
